

# Important: SP PRO Warranty Registration Australia/New Zealand

Your Selectronic SP PRO is warranted for a period of 3 years from date of purchase to the original purchaser only. Selectronic will bear the cost of parts and labour to repair any manufacturing faults found within the terms and period of this warranty. If the warranty is registered on line within 60 Days of installation an additional 2 years will be added to your warranty period.

Faulty product must be returned to Melbourne Australia for claim under warranty. No allowance is made for labour or travelling time required to disconnect or reinstall faulty parts. Cost of freight to return the repaired inverter to the customer within Australia or New Zealand only will be paid by Selectronic. The method of freight will be determined by Selectronic.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

All installation and user conditions as set down in the instruction manual must be strictly adhered to as failure to do so may void your warranty. Any faults or like faults caused by lightning, water or moisture ingress, faulty installation, using the product in a manner which it is not intended, vermin infestation, improper voltage, alteration which affects the reliability or performance of the unit but not attributable to faulty manufacture, failure to act on service warning from the SP PRO or damage caused by faulty generator sets or other system components will not be covered under warranty.

In the event of the product being out of service Selectronic shall bear no responsibility for any consequential loss or expense. Selectronic will not be held responsible for any misleading or incorrect information conveyed by anyone not directly employed by Selectronic.

If your warranty registration is submitted on-line within 60 days of purchase and the installation is signed off by a Selectronic Accredited SP PRO Integrator your warranty will be extended by 2 years. If your warranty registration is submitted on-line within 60 days of purchase and the installation is a SP PLUS energy centre your warranty will be extended by 1 year. (See SP PLUS warranty card).
